Tel. +44 (0)1478 640478 Web: www.TheRowansOnSkye.com

Centrally located for exploring magical Skye

The Rowans is at Portnalong on the Minginish peninsula, twenty minutes from Sligachan and Glenbrittle, and only five from the world-famous Talisker Distillery at Carbost. You can reach any part of Skye in an hour, giving you the ideal base for walking, climbing, birdwatching or sightseeing, or just peace and quiet in which to unwind from the pressures of city living.

A unique and relaxed approach

The Rowans is different to most B & Bs, offering luxury with a unique twist. Instead of regimented breakfast times, you have a private annexe with its own entrance and kitchen diner, and we provide fresh food each day for you to prepare a substantial continental breakfast and packed lunch. You can eat what you like whenever you like, without choosing from menus the night before. We can also provide home-cooked evening meals by prior arrangement.

Four-star luxury and comfort

Our double room can be set out as either a king-sized double or twin singles. Every convenience is provided, including satellite TV, DVD player, CD player, books and games. Your private shower room is complete with toiletries, towels and bathrobes. Your kitchen diner is fully equipped with a fridge, a cooker, a microwave oven and all utensils. There is off-road parking, and sheltered cover for motorbikes, cycles and wet weather gear.

How to get to Portnalong

Skye is connected to the mainland with a free road bridge, although you can still cross by ferry from Mallaig. Follow the A87 north through Broadford and Sconser. At the Sligachan Hotel, turn west on the A863 towards Dunvegan. After 5 miles turn left onto the B8009, following the road through Carbost, past the Talisker distillery and up the hill through Fernilea. At Portnalong, take the left turn to Fiskavaig, and The Rowans is the first house on your left.

We look forward to welcoming you to The Rowans!
